

# Final Innovative Teaching Grant Evaluation Form

**Submission Deadline: June 29, 2018**

## Dear Grant Recipient:

We are interested in the implementation and outcomes of all projects funded by Aldine Education Foundation's Innovative Teaching Grants and the impact on students and their learning. As a grant recipient, we want to know if you met your defined objectives and what the results of your project were. We want to share how AEF teacher grants are making a difference for Aldine ISD students.

Your honest evaluation of your project will inspire continuing community support and generate additional resources to enhance educational opportunities across Aldine ISD. It also helps our Grant Committee assess future grant proposals and the potential for project success – leveraging support for projects that can provide the biggest impact for our students.

Please submit this completed form and the additional requested information by the above deadline to [JHoya@AldineEducationFoundation.org](mailto:JHoya@AldineEducationFoundation.org) and [SASmith3@AldineISD.org](mailto:SASmith3@AldineISD.org). Failure to submit the Grant Evaluation Form will negatively impact consideration for future AEF grants.

Sincerely,  
AEF Grant Committee

## Project Information

Project Title		
Lead Applicant – Last Name	Lead Applicant – First Name	Lead Applicant – Signature
Campus		Principal's Signature
Subject(s)		Grade(s)
Number of Students Impacted in Grant Period	Total Grant Award	Total Grant Funds Expended

Please attach additional pages with details on the following items. Answer fully but be succinct. Include your name and your Project Title on each page.

- Please provide a brief description of your project. (100 word maximum)
- What were your stated objectives for the project? Did you meet each objective as originally planned? Please provide the data to substantiate your results. (500 word maximum)
- Please describe any unanticipated results – positive or negative. Explain how you incorporated those results into your project to keep things moving forward. (250 word maximum)
- Explain if and how you plan on continuing this program in your teaching. How would you modify things to improve upon what you learned? (250 word maximum)
- If you were to do this again, or if the project were replicated, what modifications or budget considerations would you recommend? (250 word maximum)
