Leave a Legacy for Aldine ISD Students

Aldine Education Foundation was established in 2012 to provide financial resources to strengthen learning at Aldine ISD. Our donors are a critical component of our success in making a lasting impact on the teachers and students within the District. By making a planned gift to Aldine Education Foundation, YOU leave a legacy that ensures continual and growing resources for Aldine ISD.

We are honored you entrust this living gift to Aldine Education Foundation. As a planned giving contributor, you can rest assured that your gift will exist in perpetuity since your gift will be added to our scholarship endowment unless you stipulate how the gift will be used. You may also make the gift in your name or as a tribute to someone you choose by creating a Named Endowed Scholarship with a planned gift of \$20,000.

Statement of Intent

By sharing this information, you help ensure that we properly recognize your generosity, and – most importantly – manage your gift in accordance with your wishes.

Your information will be kept secure and confidential and not shared without your permission. Aldine Education Foundation has created a named society – **Circle of Friends** – to recognize those who have declared a planned gift and to encourage others to consider this donation option. Only those who give authorization will be listed as a member of **Circle of Friends**.

To indicate that you have made provisions for a planned gift, please complete the Statement of Intent form with as much detail as you are able and willing to share. Return your signed form to:
